

WonderQuilt

A traditional mainstay in facilities across the country, WonderQuilt bedspread's quality construction has been designed to withstand repeated institutional processing and remain in service and looking great longer. WonderQuilt fabrics have been dyed to assure exceptional color retention. WonderQuilt knit polyester resists pilling and fuzzing. Available as a healthcare-fitted bedspread with a shortened foot drop to accommodate beds with active footboards.

Fitted Bedspread: 65"x108" or 74"x108"

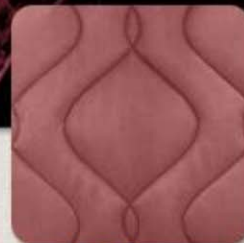

Throw Bedspread: 65"x110" or 74"x110"
